President's Message

To the 1952 Graduates:

Recently, I looked through my college annual published my sophomore year. I had not looked at it in many years. This proved to be a very interesting and revealing experience.

I was amused at the pictures of what were very well dressed young folks thirty years ago. Styles certainly have changed during the time.

I was surprised to see how youthful my former fellow students and I appeared to be. I just can not believe I ever looked that young. Distinguished citizens of today looked very immature to me in that annual.

Some of the narrative material was very amateurish, very delightful and interesting. I got a real "kick" from reading it.

I was so surprised to see how much the University had grown, when I compared the present with the earlier day.

I was pleased to compare the present accomplishments of my fellows with their standing in former days. Some of them have lived up to the high promise they had then. Many have really come out. They matured and developed with the years. Some of them have become, on the surface at least, just another person. Many of them have passed on. That was a surprise and caused a sadness of heart.

I hope thirty years from now you will get out the 1952 Wo-He-Lo and enjoy living again the interesting days we have had together. Let us hope the college will continue to grow. I hope you can enjoy what will appear to you then to be very adolescent activities shown in this book.

I certainly hope all of you will then be active, useful, community minded citizens--serving God, your family, and country.

Sincerely,

L. O. Todd

Industrial Education

The Vocational Industrial Department of East Central Junior College provides excellent facilities and activities in Vocational and industrial education for the peoples of the surrounding district. The primary objective of this department is the training of skilled workers for industry. The facilities provided are equivalent in quality to those provided in the best industrial plants.

This department offers courses in automobile mechanics, body and fender repair, masonry, carpentry and electricity. The duration of the courses is from eighteen to twenty-four months. Upon completion of these courses students are receiving jobs in industry and are having outstanding success in their employment.

Hinds Eagles Hand Warriors Defeat After Tough Fight

The Hinds Eagles out-scored the East Central Warriors in an exciting game, Saturday, October 20 in the Jackson stadium.

The East Central Warrior played a hard fought ball game, slackening up only in the third quarter to let the Hinds Eagles take the lead.

The first score of the ball game was made by Hinds shortly after the kick-off on a pass from Ratcliff to Williams in the end zone. The extra point was good. The East Central Warriors recovered a fumble on the Hinds nine and on fourth down George Ball passed to Conrad Smith for the first East Central T. D. Pete Lee converted the extra point to tie the game 7-7.

Early in the second period Montgomery scored on a pitch-out to put the Hinds Eagles in the lead again. Roy Price kicked the extra point. Charles Duffee returned Hinds' kick-off to the 40 where Decatur started a drive which Duffee climaxed by going over from the one. Lee's kick was good and the score was again tied 14-14.

The Hinds Eagles raced out in front again on a pass from Ratcliff to Williams. Their lead was short lived. P. Gum Smith took Hinds' kick-off on the 20 and raced right up the middle and went all the way behind beautiful blocking. Lee's conversion tied the score. Hinds got the last score of the first half when Juenke went over on a pitch-out.

Shortly after the open..g of the half, Rachal went over for the Hinds Eagles. A personal foul penalty set up the Eagles' sixth score and Willard climaxed the drive by going over from the one. On the second play of the last half Bob Smith went 25 yards on a pitch out for the last Hinds score. A fumble recovered by Pete Powell set up the last East Central score. After three plays George Ball went over on a quarter-back sneak for the final score of the game, with Lee adding the extra point, making the final score 49-28.

Decatur Extra Point Defeats Booneville

East Central Junior College nosed out North East Junior College of Booneville 7-6 in their first home game. The very close game was played on a muddy field with rain falling during much of the game.

Co-Lin Defeats East Central In Homecoming Game

Copiah-Lincoln defeated the East Central Warriors in the annual Homecoming game 14-0.

EC Defeats Scooba In Ray Stadium After Hard Fight

Saturday night in Ray Stadium in Meridian, the East Central Junior College warriors defeated Scooba 33 to 21.

Central Defeats Southwest

The East Central Warriors defeated the Southwest Bears by a score of 19-6 on the East Central field. In the first quarter of the game Don Marino went 30 yards for the one and only Summit score.

The second quarter was scoreless and at the half the score remained 6-0.

The East Central Warriors came back after the half time with renewed vigor and on the opening kickoff P. Gum Smith galloped 90 yards down field for the first East Central T. D. Pete Lee converted the extra point, making the score 7-6. A few minutes later in the same quarter, Harod Crowson ran 52 yards for the second touchdown. The extra point was no good.

In the last few minutes of the fourth quarter A. J. Kilpatrick intercepted a Summit pass and drove 42 yards down field to the Summit four and Crowson went over for the touchdown on the next play. Lee was wide on the conversion attempt and the game ended with the score 19-6.

East Central Drops One To Ellisville

The first quarter of the game was played on almost even terms with neither team getting in scoring position.

In the second quarter, Jack Parker, the Jones County quarterback, hit Jack Lamb in the end zone from the 16 to make the first Bobcat touchdown. A few minutes later Bobby Sims went over for the second Jones score.

The third quarter was scoreless, with both defenses tightening up. In the fourth quarter Decatur came back to life. P. Gum Smith faded back to pass but was rushed and had to run the ball, of which he did a very good job. He ran 25 yards to set up the touchdown for East Central. After three or four plays Harold Crowson went over for the T.D. Pete Lee converted the extra point to make the game 12-7.

In the last five minutes of the game Glen Slabe climaxed a long Jones County drive by slipping over for the third touchdown. Jones failed to convert any of their extra points and the game ended 18-7.

Warriors Win Over Sunflower, 14-7

The E. C. J. C. Warriors overran Sunflower Junior College Thursday night, September 13th in an exciting game.

In the opening quarter Sunflower ran off-guard for 45 yards and passed to the half-back on the next play for a touchdown. The extra point was good, making the score 7-0.

In the second quarter P. Gum Smith received a punt and ran it back 85 yards for a touchdown. Pete Lee converted the extra point to tie the ball game 7-7.

In the second half P. Gum Smith received another punt and in three plays ran it back for another touchdown. Pete Lee again converted the extra point to make the score 14-7.
